

# RYAN GOWARD

Game Designer

## ABOUT

Ambitious designer with 8 years of professional experience and over 10 years and +100,000 downloads of indie experience.

Having worked at studios in the UK, US and Japan, I've shipped titles in Unreal and Unity and have been involved in both creating content as well as establishing studio practice and pipelines.

My passion is combining Character, Camera and Controls in atmospheric environments.

## SKILLS

- 6 years experience in Unity and C# for both gameplay content and tools
- 4 years experience in Unreal using Blueprint and Bluetility
- Strong experience with owning, designing and implementing features
- Strong experience of leading interdisciplinary and international comms to ensure content aligns with project goals
- 3 years of Blender and Substance experience

## LANGUAGES
